

ROAD BOARD

MINUTES

August 9, 2012

The Weakley County Board of Highway Commissioners met in regular session on Thursday, August 9, 2012 at 5:30 p.m. at the Hwy. Dept. Road Board members present were Commissioners Garry Mansfield, Bobby Robinson and David Bell. Public Works Committee present were Commissioners Joe Farmer, Mike Medling, Larry Taylor, Sam Sinclair and Bob Bell and James Bynum.

Chairman Mansfield called the meeting to order and Commissioner Medling opened the meeting with prayer. The minutes of the previous meeting were approved by a motion from Commissioner Bell and second by Commissioner Robinson. Motion carried.

Old Business: McClain Levee Bridge is now under construction and we are in the process of road repair and bridge repair as well as culvert repair placing concrete in bottom of metal culverts which will add 10-15 years to their life.

New Business: Commissioner Taylor informed the board of 5 pc of tax property that the county will be selling at courthouse. One piece of property has a tree laying on the house located in Martin City Limits. He questioned if the county would be willing to remove the tree to insure the safety of prospective buyers when they look at the property. It was agreed that it would be looked at to see if we could remove the tree.

Commissioner Medling asked about the future work on Shafter Rd. He informed the board that it is bleeding tar and really rough in spots. Commissioner Sinclair made a motion to repair Shafter Rd when possible and Commissioner Medling second. Motion carried.

This was Commissioner David Bell's last Road Board meeting due to the county commission voting to phase out the road board as their terms expire. Everyone expressed their appreciation for his dedication to the needs of his districts.

There being no further business, motion carried and meeting adjourned after a motion from Commissioner Bell and second by Commissioner Robinson.

Chairman Garry Mansfield
